## TRAVEL INFORMATION

### JOŽE PUČNIK AIRPORT

Ljubljana Jože Pučnik Airport, 20 km from the centre of Ljubljana, has good connections to other European airports. Airport shuttle buses take passengers to the city centre. [Ljubljana Airport](#) / Official website about the [airport connections](#).

Possibility also to land in **Zagreb** (Croatia) 150 km away or **Trieste** (Italy) 95 km away and then to take a bus transfer with [GoOpti](#). or rent a car.

Transport options from **JOŽE PUČNIK AIRPORT Ljubljana** to the city centre:

1. **BUS:** very convenient. In front of the airport and direct to the city centre next to the train station (Trg Osvobodilne fronte 4). [Here the link](#).
2. **SHUTTLE DOOR TO DOOR:** [Markun Shuttle](#), [GoOpti](#), and [others](#).
3. **TAXI:** almost all the taxis in Ljubljana are registered and safe to use, but we recommend:
  - Taxi društvo Ljubljana, [info@taxi-ljubljana.si](mailto:info@taxi-ljubljana.si) +386 1 234 90 00
  - Taxi LAGUNA, +386 31 492 299 +386 1 511 23 14
  - [Other options](#)

*We kindly recommend arranging a taxi by phone rather than using the ones waiting at the airport, as they typically charge significantly higher rates.*

### ARRIVING BY TRAIN OR BUS

The bus ([Ljubljana Bus Station](#)) and train stations ([Slovenian railways](#)) are located next to each other and just a short walk from the city centre.

### ARRIVING BY CAR

The Ljubljana city centre is closed for traffic, street parking is limited and expensive. We recommend using one of the nearby garages or parking lots. Please note that traffic can be heavier during peak hours.
